2019-2020

Annual Report

**Beacon
Academy**

**Mission
Statement**

Beacon Academy will promote intellectual and personal development through professionally focused, summative and formative learning opportunities, preparing students to succeed, lead, and serve. The School will be dedicated to providing student-centered services in a professional and compassionate manner, utilizing highly trained and committed staff to individualize educational strategies that will empower each student to succeed in a cutting edge learning environment.

**Sponsor
Statement**

Educational Resource Consultants of Ohio, Inc., (ERCO) sponsor of the school, is legally mandated to provide oversight, monitoring and technical assistance. All community school sponsors are required to submit a written report of the evaluation results of the school's academic, financial, and organizational performance as well as the school's legal compliance to the Ohio Department of Education. This report must be made available to parents of students enrolled in the community school by November 30th of each year (OAC3301-102-05 (A) (3)). An annual report regarding the performance of this school and other schools under the sponsorship of ERCO will be posted on our website www.ercoinc.org no later than November 30th of the current school year. Parents are urged to review this report, as well as other monitoring and evaluation reports concerning the school. These reports are available at the school, or the sponsor's office. The reports are generated to provide you with a full comprehensive understanding of the school's performance.

Vision Statement

Beacon Academy will strive to be recognized as a model of academic excellence, characterized as engaged, dynamic, growing, and adding value to the lives of its students, staff, and community, and to become a laboratory for the development of best-practices in every aspect of education.

School Grade

School Overview

Districts and schools report information for the Ohio School Report Cards on specific marks of performance, called measures, within broad categories called components. They receive grades for up to 10 measures and six components. The 2019-2020 report card will not have grades or ratings. Limited data is available due to the coronavirus pandemic and ordered school-building closure.

Achievement

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall. The data for this component is not available this year.

Component Grade

Progress

This component looks closely at the growth all students are making based on their past performances. The data for this component is not available this year.

Component Grade

Gap Closing

This component shows how well schools are improving or meeting the performance expectations for all students in English language arts, math, graduation and English language proficiency. The data for this component is not available this year.

Component Grade

Graduation Rate

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four or five years. The graduation rates are available, and data was not impacted for the reporting years; however, the combined component will not be calculated.

Component Grade

Improving At-Risk K-3 Readers

This component looks at how successful schools are at improving reading for at-risk students in grades K-3. This data is partially available this year.

Component Grade

[View More Data](#)

Prepared for Success

This component looks at how well prepared Ohio's students are for future opportunities, whether training in a technical field or preparing for work or college. This data is available and was not impacted for the reporting years.
